Donations: We have had a couple suggestions to better the Senior Center, but in order to do that, we are asking for extra donations for these particular projects. It was suggested that we need more advertisement on our building, so people know who we are. I have received a quote from the sign company that did our lettering on our garage and the quote came in for \$1,338.

Another suggestion was that we put an entry way on the East side of the building like we have on the front. With us needing a handicap entrance, the door stays open which in turn lets the heating and air escape. I really have no idea on how much that will cost. We will have to advertise for bids thru the County. Something else that I want to get back in the swing of, is anyone that donates over \$100 will get their name put on a plaque that will be displayed in the dining room. Thanking you all in advance.

End of Summer Bash!
